## **Greenline**

### **ROUTES 2103 (Gordonton) and 2104 (Puketaha)**

#### **Letter to parents and caregivers of student using these buses to get to school:**

If you require Greenline to transport **ineligible** students to school you must have from the start of 2010 written permission from your nearest school. (*a copy of this needs to be sent to Greenline before the start of Term One 2010*).

Alternatively, if all **ineligible** students from the areas served by Route 2103 and 2104 make their own way to the main Orini/Hamilton Road, Greenline can still transport them to the above schools on the Greenline Parent Paid bus that travels from Orini.

Greenline cannot transport ineligible students out of zone for free. If the two options above don't work, Greenline will have to discontinue their Parent Paid Bus service from Orini because of insufficient numbers.

Please contact Greenline **07 889 7758** for further information.
